Has this gone out?

We should be sure journo's and columnists (like Althia) have it.

RCMP: Statement on the freezing of financial accounts

Statement

February 21, 2022 - Ottawa, Canada

Under the Emergency Economic Measures Order (Emergencies Act), the list that was provided to Financial Institutions included identities of individuals who were influencers in the illegal protest in Ottawa, and owners and/or drivers of vehicles who did not want to leave the area impacted by the protest. At no time, did we provide a list of donors to Financial Institutions.

We are now working with the banks to build a process to address the accounts that were frozen.
